COUNTRY PROFILE ZAMBIA

Country-Level Platform Partnership

Community Initiative for TB, HIV and Malaria Plus (CITAMplus)

Location: Zambia

Timelines: November 2022-May 2024

Overall Aim: To contribute towards the TB elimination agenda in Zambia

Objectives:

- To increase visibility and understanding of TB response and TB efforts at the country level.
- To conduct strong TB advocacy and create a critical mass to deliver change around TB issues.
- To enhance domestic resource mobilization and increase funding for TB
- To generate high-level advocacy activities targeting country key stakeholders and decision-makers.
- To ensure alignment of national and global advocacy efforts.
- To increase the number of partners engaged in TB response at the country level and ensure the relevance of the partnership platform.
- To position the country-level platforms as strategic leaders and key conveners and facilitators on TB.
- To increase the level of knowledge of key stakeholders at the country level on the overall budgetary needs to end TB at the country level, following a comprehensive approach and Global Plan to end TB 2023-2030.
- To create a roadmap towards increased budgetary contribution towards National TB programme activities.
- To increase domestic resources contributions towards the TB response.
- To secure statements and commitments from Ministers of Finance, Health and the Vice President on the need to fully fund TB response and identify approaches.
